QUALITY CREDENTIALS

Product and Process Development

- Ensure R&D quality by consolidating review process
- Manage risks during product development
- Manage risks during product introduction and trial production

Manufacturing

- Defect prevention for production processes
- Ensure the operation of critical equipment
- Ensure first-in-first-out of materials and traceability of product information

Quality

- Ensure the accuracy and reliability of quality data
- Continuous improvement of internal management, production quality, and customer service
- Develop unified assessment standards and management mechanisms of supplier performance

IDBI BANK

“ Thank you for the wonderful services provided by your company. We are very much satisfied with the prompt response and critical services that your company delivered to Bank’s DR site during the Covid-19 pandemic situation. Thank you again to look forward to seeing many more “no-worry” services from you. Abhijit Das DGM-DR Centre, IT Division IDBI Bank Ltd. ”

*** RATING CERTIFICATE

This is to certify that
Dun & Bradstreet Information Services India Private Limited ("D&B") has evaluated

BEST POWER EQUIPMENT (INDIA) PRIVATE LIMITED
(D-U-N-S® Number: 72-492-2658) which has been assigned a Dun & Bradstreet Rating of 2A3 with Positive Outlook

Date: 28th June 2023

Note: The above Dun & Bradstreet Rating relates to the Global Profiler Report dated 28th June 2023, issued by Dun & Bradstreet on the Rated Entity and the tangible networth has been derived basis the audited financial statements for the financial year ended 31st March 2022. Composite appraisal "3" indicates that the overall status of the Rated Entity is "Fair".

Disclaimer: The Dun & Bradstreet (D&B) Rating must be considered in conjunction with the related D&B Report in order to avoid any wrong inferences derived by considering the D&B Rating in isolation. The D&B Rating is assigned and valid as of the date of evaluation of the D&B Report and is always subject to change on account of occurrence of any significant material events, including the availability of the latest audited financial statements, that may substantially affect the various parameters, basis which the D&B Rating has been derived. The D&B Report includes assessment made by D&B which are based on various sources and the methodology adopted by D&B. D&B does not make any representation or warranty, whether express or implied, as to the accuracy, timeliness or completeness of any information, basis which the D&B Rating has been derived. Every business decision, to some degree or the other, represents the assumption of risk and D&B, in furnishing the Rating and the Report, does not and cannot underwrite or assume the risk, in any manner whatsoever. The D&B Rating consists of two parts, viz., the Financial Strength and the Composite Appraisal / Condition. Financial Strength is an indication of the tangible net worth (i.e., the shareholders' funds less any intangible assets). The Composite Appraisal / Condition is linked to the level of risk and is an overall evaluation of credit worthiness. It takes into account the financial condition and several factors such as track reference history, legal structure, management experience and any adverse ratings. This is computer generated certificate and needs no signature.
